Mrs. Perry J. West

Dear Mrs. West:

Reference is made to your letter of 5 September 1952 herewith returned.

A commission, known as the Hawkins Taylor Commission of which Mr. Hawkins Taylor was chairman was appointed under the joint resolutions of Congress of 12 July 1862 and 16 February 1863 for the purpose of determining the actual service rendered the United States by members of certain organizations of Missouri Home Guards.

The record of allowances made by that commission shows that on the claim of Daniel Tharp, private, Captain Flower's Company (B), Deage County Battalion, Missouri Home Guards, for services between 15 June 1861, date of organization, and 26 August 1861, date of discharge, the period of two months and eleven days was allowed as actual military service rendered the United States.

Sincerely yours,
